

FALCON VISION FUND

PRE-IPO: AI • DEFENSE • ROBOTICS • SPACE

EXECUTIVE SUMMARY

Falcon Vision Fund I is a specialized venture investment vehicle established to acquire late-stage, growth-equity holdings in category-defining technology enterprises. Operating across Artificial Intelligence, Defense Autonomy, Robotics, and Aerospace, the Fund targets a concentrated portfolio of 8 to 10 companies characterized by scaled revenue models and near-term public market trajectories. With an investor-aligned 0.00% management fee structure, the strategy executes a 12-month deployment phase utilizing secondary block purchases, tender participation, primary offerings, and warehousing mechanisms to secure optimal pricing and institutional liquidity access.
